Sudhir is a name synonymous with Power. An Industry leader in the field of setting up Diesel base Captive Power Plants upto 40 MW having its corporate office in Gurugram & revenue of over INR 1500 crores, it stands tall in the Indian Power Generation Sector, providing complete turnkey Electrical solutions from **GENERATION, DISTRIBUTION to ELECTRIFICATION.**

Founded in 1973, Sudhir Group is committed to new and innovative technology and strives to develop breakthrough products to meet the ever changing need of power industry. The Company has a wide blue-chip customer base and operates through multiple manufacturing facilities across India. The product line focuses on 7.5KVA – 3000 KVA Diesel & Gas Generators, 100 KW Solar Panels, Oil & Dry Type Transformers, HT 11KV & 33KV Panels & LT Panels, Packaged Substations and Turnkey EPC contracts covering electrical and mechanical services.

Significant collaborations, technical know-how support and license agreements with selected industry giants, including Cummins for Generators, Schneider for Packaged Sub Stations, Schneider for HT Panels have helped Sudhir to achieve unprecedented growth and become a name to reckon with.

Sudhir has also forayed into Hotel business by leveraging its relationship with Radisson group and setting up luxurious property Country Inn & Suites in the fastest growing Gurugram city.

Backed by a talent pool of experts of over 2500 employees, 5 state of art manufacturing facilities, 14 Branch offices, international presence and dedicated training & service centres. Sudhir is continuously serving the width and depth of the Indian industry with its power solutions.

Indeed, Sudhir have achieved and leapfrogged towards this unprecedented growth. For us, this is just another step in our ongoing journey to greater goals and broader horizons.
